

Dear children,

Welcome to Wolsingham Primary School! We are so excited about you starting Reception in September!

Mrs Hall and I have made a video for you to watch so that you can see what the Reception classroom is like.

In September, we would like you to come and play in our classroom and meet your new teacher before you start school. For the rest of the week we would like you to come to school to spend the mornings or afternoons with us and some of your new friends, before meeting your whole class after the weekend. Bring your Mummy or Daddy into the classroom and after we have said goodbye to them, we'll have lots of fun. We have so many exciting things for you to play with and we're sure you're going to enjoy exploring our classroom. Just think how grown up you'll be when your Mums and Dads are at home or at work and you're in school learning all sorts of new things!

Your Mummy or Daddy has a special letter about when you will visit us. The classroom layout in Reception will be similar to that in the Nursery class and you will find some things are the same as you've been used to in Nursery. We will play lots of games, learn some new songs and much more. It's going to be great fun!

After the weekend, you will be able to stay at school all day and your Mum or Dad will drop you off at school at quarter to nine and pick you up at quarter past three. We're sure that at the end of each day, you'll always have something exciting to tell them about!

One of the first things we will do in September is to learn about you. It would be very interesting for us to know all about the things you have enjoyed doing during your summer holidays. We would like you to keep all of your holiday memories in a shoe box to bring to school with you in September.

We are really looking forward to seeing you very soon.

From
Mrs Breen
