

Year 3 Same but Different

All of us are different and unique,
We are all different sizes and physiques.

Ginny is our swimmer

And Ryan is our footballer.

Horse riding is Lola's thing,

While Robyn plays piano and violin.

Jon-Joseph loves to drive his tractor,

And Ava is a singer but she doesn't like X-Factor.

Lilly loves art

And Hubert can't wait for maths to start.

Ricky has Pokémon cards to the excess,

Elliot has built lots of things on Minecraft which were a great success.

Lexi is our champion baker

And Charlotte is our roller-skater.

Ethan will gobble up the pizza with extra cheese

While Elizabeth begs for more times tables PLEASE!

Andrew loves to be hands on in D and T,

27 cousins are related to Maisy.

Amie will do cartwheels until she is dizzy,

And Bruno the dog keeps Finley really busy.

If we were all the same it would be boring,

We are all different but we still come to school every morning!
